

**ICE MASTER® H-SERIES**

The Ice Master® H-Series hitch mount salt brine sprayer is a perfect fit for your compact tractor. Easily de-ice walkways or tighter areas using the pre-treatment or post-treatment nozzles. The SAFE-BALANCE™ DESIGN keeps the weight of the sprayer close to your tractor making it safer on sloped terrain.

<b>Width</b>	55"	<b>Number of Nozzles</b>	7

## Features

### EASY-ACCESS™ LID

This easy-to-reach lid located at the side of the tank makes filling quick and simple.

### SAFE-BALANCE™ DESIGN

Because of its shape, the entire weight of the tank is shifted closer to the rear tractor wheels. A lot safer when spraying on sloped terrain.

### TIME-SAVER™ FORK POINTS

The built-in fork slots makes the entire unit a breeze to lift and load.

### POLY-FLEX™ HOSE REEL

Unlike steel, this crackproof, easy-wind poly hose reel will flex before breaks.

### SOLID-WALL™ TANK CONSTRUCTION

With thick side-walls, this workhorse is high-impact-resistant and virtually indestructible.

### DOUBLE SPRAY BAR SYSTEM

Easily switch from pre-treatment to post treatment spray nozzles.
