

## 9035102 - SaltDogg™ Hydraulic Replacement Tailgate Spreader Center Discharge

**Buyers Part Number: 724920151047**

**Designed to replace the tailgate on 1-ton dump trucks, this hydraulic spreader from SaltDogg is built from 304 stainless steel to handle and spread bulk salt or salt/sand mixes.**

- Fits in place of tailgate on a 1 ton/super duty dump body.
- Ideal for dump bodies with low ground clearance.
- Auger and spinner powered by independent hydraulic motors.
- Made to handle bulk salt or a 50/50 salt/sand mix.
- Hydraulic spreader controls sold separately with variety of options available.
- 18 in. spinner casts up to 25 ft.
- Durable stainless steel auger keeps material moving.
- High quality 304 stainless steel construction.
- Available with center or left side discharge.
- Easy to mount and remove with built-in lift point.
- Made in the USA.
