

9035102 - SaltDogg™ Hydraulic Replacement Tailgate Spreader Center Discharge

Buyers Part Number: 724920151047

Built for contractors and municipalities, the SaltDogg Dual Spinner Under Tailgate Spreader uses its unique dual-spinner system to deliver a wide 40 ft. spread, making it ideal for large-scale jobs like clearing airport runways.

- Fits in place of tailgate on a 1 ton/super duty dump body.
- Ideal for dump bodies with low ground clearance.
- Auger and spinner powered by independent hydraulic motors.
- Made to handle bulk salt or a 50/50 salt/sand mix.
- Hydraulic spreader controls sold separately with variety of options available.
- 18 in. spinner casts up to 25 ft.
- Durable stainless steel auger keeps material moving.
- High quality 304 stainless steel construction.
- Available with center or left side discharge.
- Easy to mount and remove with built-in lift point.
- Made in the USA.
